

BRIEF SUMMARY

I'm pursuing a BTech in Computer Engineering from MIT Academy of Engineering, and I'm proficient in HTML, CSS, and various computer science technologies. I've worked on numerous tasks with NodeJs and am well-versed in JavaScript. Backend development has piqued my interest, and I enjoy creating RESTful APIs. Aside from that, I'm investigating the Cloud World on the AWS Platform and am familiar with various services such as EC2, Lambda Function, dynamoDB, etc.
